EXPERIENCE

Mind // ArkusNexus Product Marketing Manager — 2020-2021(late)

Developed all GTM strategy, exceeding revenue targets for 2020 launch by 13%.
Improved customer experience metrics: NPS +35, AOV by 25% and a 3:1 LTV:CAC.
Crafted sales enablement plan to lift close rates by 15%, and SQL accuracy +30%.
Initiated cross-functional customer feedback groups.
Served as the primary POC for all product, customer success and sales input.
Analyzed quarterly sales numbers and initiated cross-functional collaboration to increase top line rev.
Acted as the VOC, feeding insights back to product and sales teams.
Led country-specific research into different price drivers by region to optimize GTM pricing.
Led development of marketing collateral/case studies, segmented per customer persona.

Nationwide // Nationwide Financial Product Marketing Specialist — 2018-2020

Oversaw content strategy for Nationwide blog. Increased engagement by 60% and MQL vol. by 30%.
Operationalized internal AI tool throughout role (IBM Watson // NLP).
Managed the Thought Leadership Marketing team's $2MM budget.
Recruited internal thought leadership (dept. leaders) to generate authoritative content.
Streamlined GTM activities for product launches, crafted positioning and messaging framework.

U.S Bank Marketing Specialist — 2017-2018

Worked primarily on mobile app analytics/reporting.
Led integrity work stream to remediate launch risk for GTM activities.
Used data to develop research strategies to understand banking behaviors.
Contributed cross-functionally to align omni-channel promotions (online banking/mobile teams).

Opteon // Valuation Partners Marketing Specialist — 2014-2017

Contributed to development of overall marketing strategy across 3 brands/5 business units.
Developed content and sales enablement strategies for Summit Valuation Solutions following acquisition.
